

CONSTRUCTION ALERT: Week of March 10, 2025

Construction activities begin Monday, March 10. Lane closures in both directions planned in the project area.

Motorists and neighbors can expect long-term lane closures with crews working on S. Palm Canyon Dr. in the project area from Sunny Dunes Rd. to Mesquite Ave. Work includes removal of the median, adding signage, paving, striping, potholing in the roadway, required environmental work, and utility work.

TRAFFIC IMPACTS

Monday, March 10 through
Friday, March 14
7 a.m. to 3:30 p.m.

Planned lane closures on S. Palm Canyon Dr. between Sunny Dunes Rd. and Mesquite Ave.

One lane will be closed and one lane open for traffic in each direction.

Pedestrian and cyclist access will be available.

STAY SAFE IN THE CONSTRUCTION ZONE

As work progresses on the S. Palm Canyon Bridge Project, please plan extra travel time, reduce speed, and use alternate routes.

The timeline may change due to unforeseen field conditions, weather or environmental impacts.
