

CONSTRUCTION ALERT: Week of April 14, 2025

Single lane closures on S. Palm Canyon Drive continue the week of April 14

Sidewalk demolition is planned on the western bridge span; pedestrian access is available on the eastern side of the bridge.

The South Palm Canyon Bridge Project continues with the relocation of Frontier facilities on the bridge, and sidewalk work on the western bridge span. Work will occur outside of the non-disturbance buffers of nesting birds and environmental mitigation measures, as required by federal, state, and local regulations, are being implemented.

LANE CLOSURE IMPACTS

Monday, April 14 through Friday, April 18
7 a.m. to 3:30 p.m.

-  Intermittent southbound, outside lane closures are planned on South Palm Canyon Drive.
-  The sidewalk on the western side of the bridge will be closed.
-  Pedestrian access is available on the eastern side of the bridge.
-  Please use alternate routes to avoid delays and reduce congestion near the construction zone.
-  The Sunline bus stop will be open.

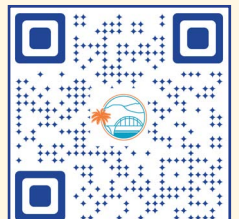

This schedule may change due to weather or field conditions.

The sidewalk closure and traffic impacts are necessary to complete work in preparation for the demolition of the western bridge span.

Access to all businesses remains open; please support local businesses during construction.
