

Construction Alert: Wednesday, July 16 – July 25, 2025

Utility work planned in the project area; please allow extra travel time

- Desert Water Agency (DWA) will perform utility work near Sunny Dunes Road and S. Palm Canyon Drive starting Wednesday, July 16 through next week.
- The week of July 23, the construction team will begin installing a new waterline and removing sections of the storm drain on S. Palm Canyon Dr., just north of the bridge.

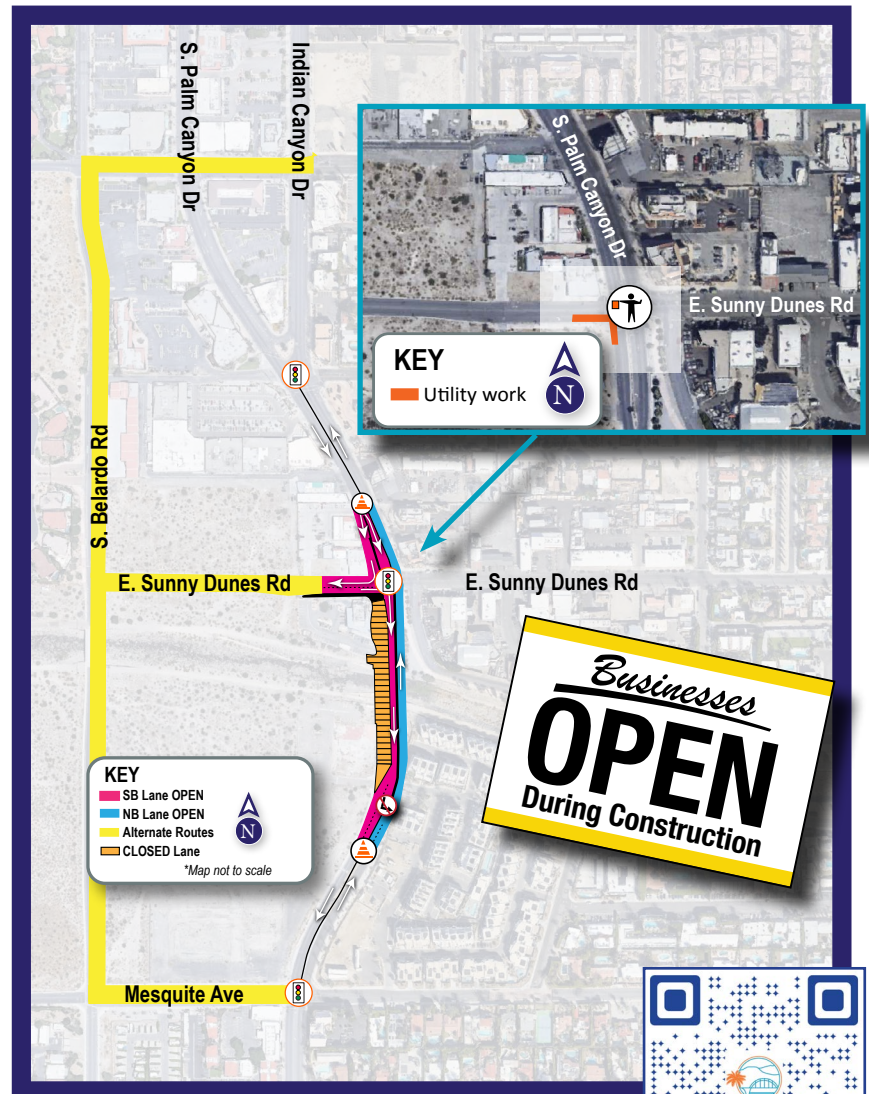

TRAFFIC IMPACTS

Wednesday, July 16 – 18
Week of July 23
7 a.m. to 3 p.m.

- Utility work planned on S. Palm Canyon Drive near the intersection with Sunny Dunes Road.
- No additional lane closures; all lanes will remain open.
- Flaggers will be on-site to direct traffic as needed.

Construction on the bridge is progressing; crews expect to complete shoring for the bridge footings in the next week.

Please allow extra travel time through the area and use alternate routes when possible.

This schedule may change due to weather or field conditions.
