Construction Alert: Week of Sept. 22, 2025

EARLY MORNING WORK PLANNED: On Wednesday, Sept. 24, at 4 a.m., crews will begin concrete placement in the Tahquitz Creek bed, weather permitting.

REMINDER—AFTERNOON/EVENING LANE CLOSURE: Drainage pipe replacement work continues with a temporary lane closure in the southbound right-turn lane on S. Palm Canyon Drive.

TRAFFIC IMPACTS

Monday, Sept. 22 – Tuesday, Sept. 30 (excluding weekends)

2:30 p.m. to 11 p.m.

- Southbound right-turn lane on S. Palm Canyon Drive will close.
- Southbound traffic will shift into the adjacent lane, allowing vehicles to turn left, right, or continue straight at E. Sunny Dunes Road

BUSINESS ACCESS

- For Tony's Grill & Bar, Allen Tire Company, or Rocky's Pawn Shop:
Use the entrance on E. Sunny Dunes Road.
- Access to Desert Car Wash will not be impacted.

Wednesday, Sept. 24, beginning at 4 a.m. Early morning concrete placement

- Concrete placement will begin at 4 a.m. to allow for curing and to minimize traffic impacts.
- Additional flaggers and spotters will be on-site for safety as trucks enter and exit at the south end of the bridge.
- Backup alarms on trucks may be temporarily silenced, but some noise will occur (idling trucks, worker communication).
