## CONSTRUCTION ALERT: Weeks of Jan. 5 and 12, 2026

Daytime lane closures and nighttime road closures planned on S. Palm Canyon Drive starting Jan. 5, expect delays.

**Week of Jan. 5 | Daytime Lane Closures;**  
Sunny Dunes Rd. traffic signal on flash

**Monday and Tuesday, Jan. 5 and 6 | 7 a.m. to 3:30 p.m.**  
One lane open on the bridge; flaggers will direct traffic.  
Lane closures are necessary for public safety while crews dig and saw cut for gas line installation.

### Daytime Lane Closures

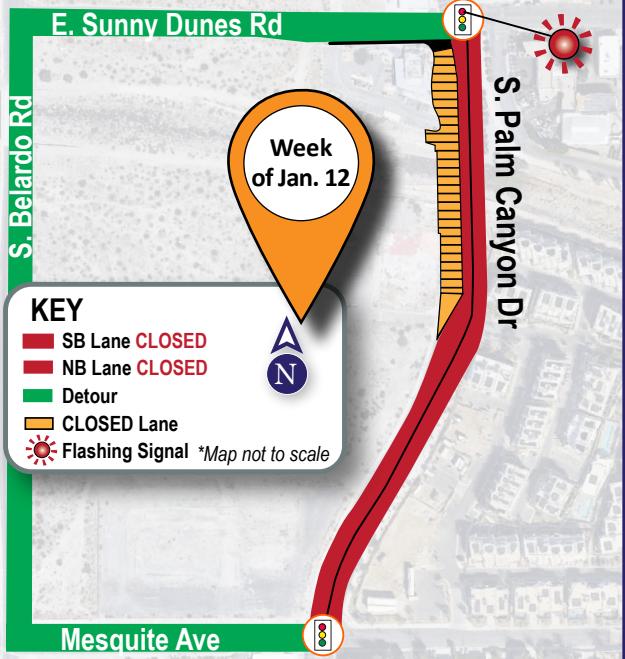

#### KEY

- SB Lane CLOSED
- NB Lane OPEN
- Alternate Route
- CLOSED Lane
- Flashing Signal \*Map not to scale

**Week of Jan. 12 | Nightly Road Closures;**  
Sunny Dunes Rd. traffic signal on flash

**Monday, Jan. 12 through Friday, Jan. 16 | 6 p.m. to 4 a.m.**  
Road closures planned nightly on S. Palm Canyon Drive from E. Sunny Dunes Road to Mesquite Avenue.  
Motorists will be detoured to Belardo Road.

### Nightly Road Closures

#### KEY

- SB Lane CLOSED
- NB Lane CLOSED
- Detour
- CLOSED Lane
- Flashing Signal \*Map not to scale

### Palm Tree Relocation

Crews will optimize the planned road closure to relocate 7 palm trees at the northeast end of the project and 2 at the southeast end in preparation for the Phase 2 Traffic Flip. The trees from the north end will be relocated to a city site. The trees at the south end will be replanted in their final location indicated on project plans. Palm tree relocation is expected to take 5 nights.

### What to expect

- Motorists can expect a full road closure with detour in place each night.
- Gasline installation work will be completed on both the north and south ends of the bridge.
- Neighbors can expect usual noise and lighting associated with nighttime construction.
- Crews are planning to complete louder operations, like saw cutting and digging, before 9 p.m.
- Gas service will not be affected.
