CONSTRUCTION ALERT: Week of January 26, 2026

Nighttime Road Closure continues on South Palm Canyon Drive

The nighttime road closure on South Palm Canyon Drive between E. Sunny Dunes Road and Mesquite Avenue is extended to Monday, Jan. 26 through Wednesday, Jan. 28 as crews complete gas line installation and related work. Motorists will be detoured to Belardo Road.

Traffic Impacts

Monday, Jan. 26 through Wednesday, Jan. 28

Nightly from 6 p.m. to 6 a.m.

- South Palm Canyon Drive will be closed nightly in both directions between E. Sunny Dunes Road and Mesquite Avenue.
- A detour will be in place via Belardo Road.
- The Sunny Dunes Road traffic signal will be on flash during nighttime work hours.

What to Expect

- Full road closure with detour in place each night
- Gas line installation work at the north and south ends of the bridge
- Usual noise and lighting associated with nighttime construction
- Crews will make efforts to complete louder work activities, such as saw cutting and digging, before 9 p.m.
- Gas service will not be affected

Work hours and schedule are subject to change based on field conditions. Please visit the project website or follow project social media for the latest updates.

Construction Started
February 2025

Project Completion
Late 2026
