CONSTRUCTION ALERT: Week of Feb. 16, 2026

**Daytime traffic control planned during paving activities, weather permitting;
Traffic Flip onto new western bridge span tentatively set for Feb. 24**

No construction activity is planned on Monday, Feb. 16, in observance of Presidents Day.

The current traffic pattern will remain in place until Tuesday, Feb. 24.

Crews will be paving the outside southbound lane on South Palm Canyon Drive starting Wednesday, Feb. 18, at 6 a.m., in preparation for the upcoming Traffic Flip onto the newly reconstructed western bridge span.

TRAFFIC IMPACTS

Wednesday, Feb. 18 | Starting at 6 a.m.

- Crews will pave the outside southbound lane on South Palm Canyon Drive starting just north of E. Sunny Dunes Road. Traffic control will be in place through the intersection.

Paving will not impact business access.

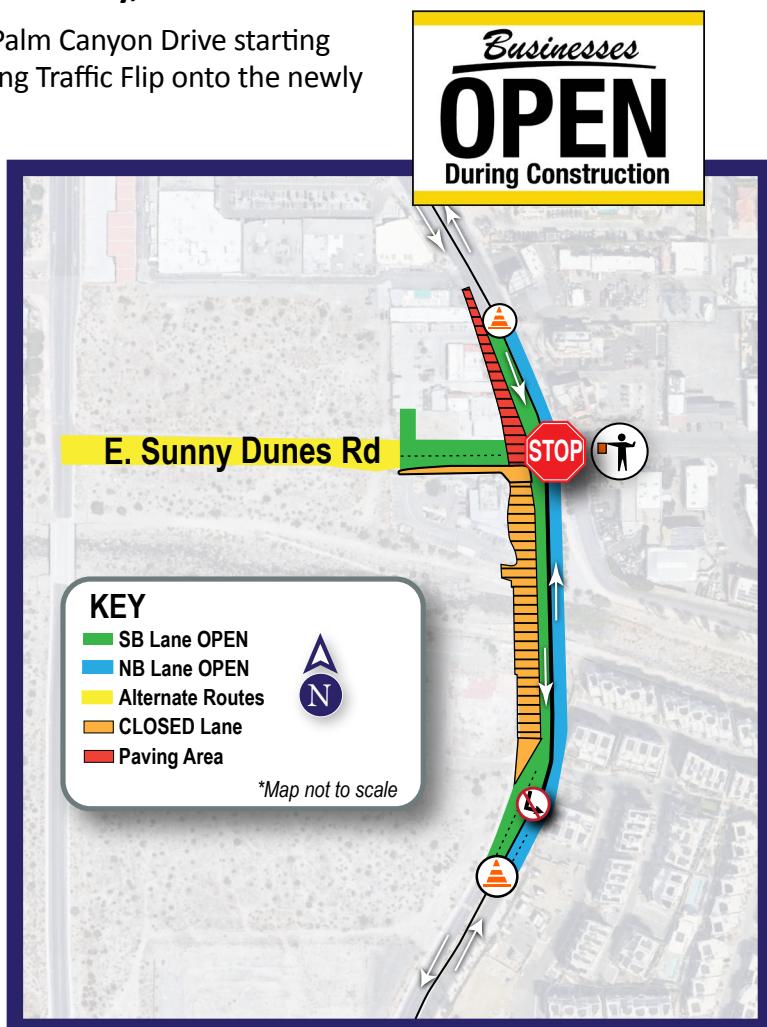

- Flaggers will be on-site as needed to assist construction trucks entering and exiting the project area. Motorists may experience brief, minor delays.

Thursday, Feb. 19

- Maintenance crews will be performing repairs on the traffic signal at the intersection of E. Sunny Dunes Road and S. Palm Canyon Drive. During this period, the signal will be off, and the intersection will operate as a mandatory four-way stop. All routes will remain open and accessible.

Please reduce speed and use caution when traveling through the project area.

This schedule may change due to weather or field conditions.

LOOKING AHEAD--TRAFFIC FLIP

The new western bridge span is tentatively set to open to motorists in the afternoon on Tuesday, Feb. 24. Traffic will flip onto the newly reconstructed western span and crews will begin demolition of the eastern bridge span.

Check the website for more details.
