

CITY OF PALM SPRINGS

INFRASTRUCTURE IMPROVEMENT PROJECTS

SOUTH PALM CANYON Bridge Project

STAY CONNECTED: Hotline (760)-502-0072 / Info@SouthPalmCanyonBridge.com / www.SouthPalmCanyonBridge.com

SCHEDULE CHANGES: Week of Feb. 16, 2026

Due to recent weather impacts, the daytime paving activities have been moved to Thursday, Feb. 19 at 6 a.m. Repairs to the traffic signal will be rescheduled.

Traffic Flip onto new western bridge span planned for Feb. 25, weather permitting

Crews will be paving the outside southbound lane on S. Palm Canyon Dr. starting Thursday, Feb. 19, at 6 a.m., in preparation for the upcoming Traffic Flip onto the newly reconstructed western bridge span.

TRAFFIC IMPACTS

Thursday, Feb. 19 | Starting at 6 a.m.

 Crews will pave the outside southbound lane on S. Palm Canyon Drive starting just north of E. Sunny Dunes Rd. Traffic control will be in place through the intersection.

Paving will not impact business access.

 **Flaggers will be on-site as needed to assist construction trucks entering and exiting the project area. Motorists may experience brief, minor delays.**

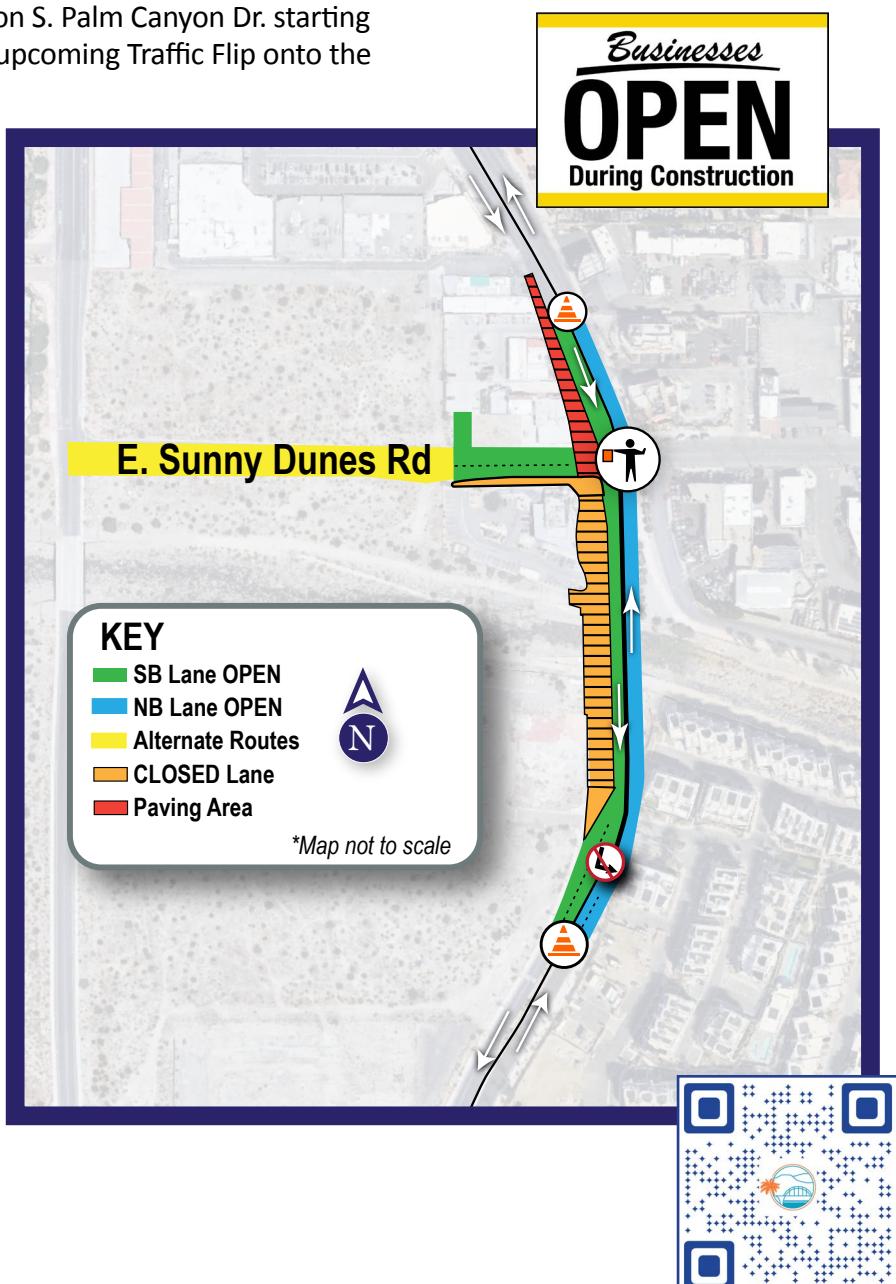

Please reduce speed and use caution when traveling through the project area.

This schedule may change due to weather or field conditions.

LOOKING AHEAD--TRAFFIC FLIP

The new western bridge span is tentatively set to open to motorists in the afternoon on Wednesday, Feb. 25. Traffic will flip onto the newly reconstructed western span and crews will begin demolition of the eastern bridge span.

Check the website for more details.
