

NEW TRAFFIC PATTERN: Week of March 2, 2026

Traffic flips from the east side to the new western bridge span.
Business access remains open.

On Monday, March 2, traffic on S. Palm Canyon Drive shifts onto the newly reconstructed western bridge span across Tahquitz Creek. Both northbound and southbound traffic will continue with one lane in each direction.

NEW TRAFFIC PATTERN

- Vehicles and pedestrians use the new western bridge span.
- The eastern bridge span closes for reconstruction.
- All business access remains OPEN on S. Palm Canyon Drive.
- All turning movements are available at S. Palm Canyon Drive and E. Sunny Dunes Road.
- The recommended alternate route uses Belardo Road.

WHAT TO EXPECT

Motorists should use caution, follow posted signage and pavement markings, and allow extra travel time while adjusting to the new configuration.
