

CONSTRUCTION ALERT: October 1 and 2, 2026

EXPECT DELAYS and intermittent lane closures.
Flaggers will assist traffic through the construction area.

Lane closures are necessary while crews remove beams from the Tahquitz Creek riverbed as work progresses on the South Palm Canyon Bridge Project.

TRAFFIC IMPACTS

Thursday, Oct. 1 | 6:30 a.m. to 6:30 p.m.

Watch for trucks entering and exiting the project area with minor traffic delays.

Friday, Oct. 2 | 6:30 a.m. to 3 p.m.

EXPECT DELAYS, see map

- Expect short traffic breaks for approximately 5-10 minutes.
- During traffic breaks, South Palm Canyon Drive will temporarily close in both directions between Mesquite Avenue and East Sunny Dunes Road, where flaggers will be stationed to manage traffic.

Please follow flagger instructions, reduce speed and allow extra travel time through the project area.

Businesses remain open and accessible.

This information may change due to weather or field conditions.

Friday, Oct. 2 Traffic Control
